

Update from Temporary Administrator to Members

20 December 2021

Dear Members,

I hope you are well and staying safe.

Reflecting on 2021 to date

As we approach the year end of 2021, I would like to acknowledge that this has been a particularly challenging year and reflect on the key successes for the Club.

Through the year, the Club was revitalised through operational improvements and the support of members. We also enacted a number of important changes to the Club's constitution during the Extraordinary General Meeting (**EGM**) held on 28 October 2021 aimed at improving governance of the Club and board composition requirements.

We have also weathered a temporary operational shut down due to COVID-19 but are well on our way toward the re-opening of the Club. This path toward the return to standard business operations has started with the series of functions held in the past weeks for members of the Club.

A large amount of the credit toward the continued success of the Club goes to the perseverance of the Social Committee, our dedicated volunteers and the support of our members.

Re-opening of the Club

I am pleased to announce that since the re-opening of the Fraser Park Sports Centre, performance has been strong with casual hire bookings and league registrations returning to pre-lockdown levels. We expect this to continue through the new year.

Additionally, over the past several weekends, the Social Committee has organised a variety of functions for members. These events have been well supported and continue to remain a key pillar in facilitating interactions between members and the larger community. The Social Community is continuing to work hard towards the planning and execution of future functions over the holiday season and will keep members informed of these functions as and when they are locked in. Please keep connected to the Club's Facebook page for updates.

The Club's restaurant has recommenced its operations two times a week on Friday and Saturday evenings. Bookings are available by phone.

We are continuing to assess the best path forward to re-opening of the Club's restaurant and bar operations back to pre-lockdown operating hours.

We are deeply thankful for your support toward the progressive re-opening of the Club and your patience during this time.

Annual General Meeting (AGM)

We are continuing to work towards convening an AGM in the coming months for the appointment of a new board. The exact timing of the AGM will be subject to resolution of remaining operational issues and approval of the Independent Liquor and Gaming Authority.

We will inform members prior to any AGM being held. As we had done for the EGM, we will also notify members of the AGM via the Club's website and Facebook page.

Thank you for your patience and continued support. We look forward to seeing you back at the Club soon.
